John,

1. In one of the Director's memos to you, he asked you to make sure that we get a good effort going on Radio Marti. You said that you wanted to know the state of play. The attached provides that.

2. While it might be realistic and pragmatic, I don't think it is wise for an NIO to be going on the record suggesting that some measures should wait "until after the US election."

3. Do you want Hal to do anything differently than what he is doing?

4. Please return this so we can work it into our highlights for the Director as appropriate.
